Student Life 105

To the Class of 2017,

Whether it was MME, Cotuit, Osterville, Centerville, BWB, Hyannis East, or West, most of us started small at our local elementary school. Some of these schools may now have closed, but our memories will always remain strong. With each transition, to the Horace Mann, and then the Barnstable Intermediate School, we thought our school couldn't get any bigger, and life couldn't get any more difficult. We were all in awe until we stepped foot into the high school our eighth grade year. Woah was that a rude awakening! Now, we are ending our short journey at Barnstable as we start to embark upon our future.

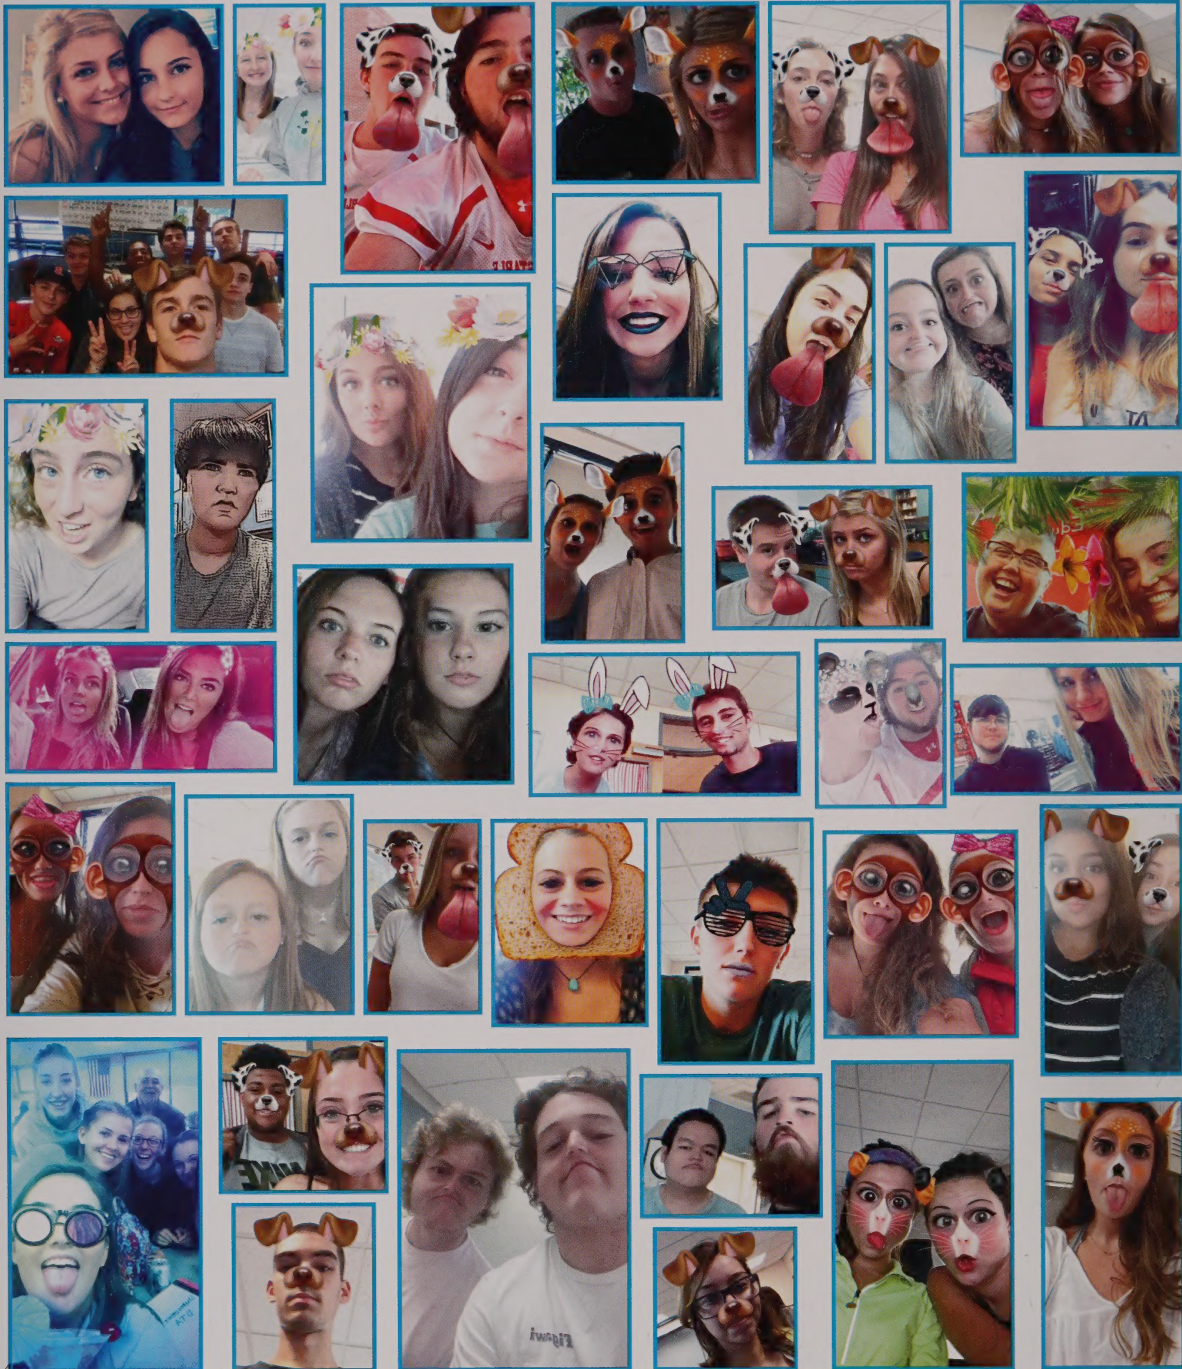

Inside this sturdy old building our Red Raider pride is apparent. From our energetic football games to our annual spirit weeks, we represent the heart of this school. In our five years here, we've seen a variety of drama performances including "The Crucible", "The Sound of Music", "The Great Gatsby", "Godspell", "The Women of Lockerbie", and "Into the Woods". Our sports teams have seen some victories including volleyball, gymnastics, and the boys' tennis team winning their state championships. Who could ever forget the time we all came together as one to cheer on our Red Raiders play in their Superbowl game at Gillette Stadium?

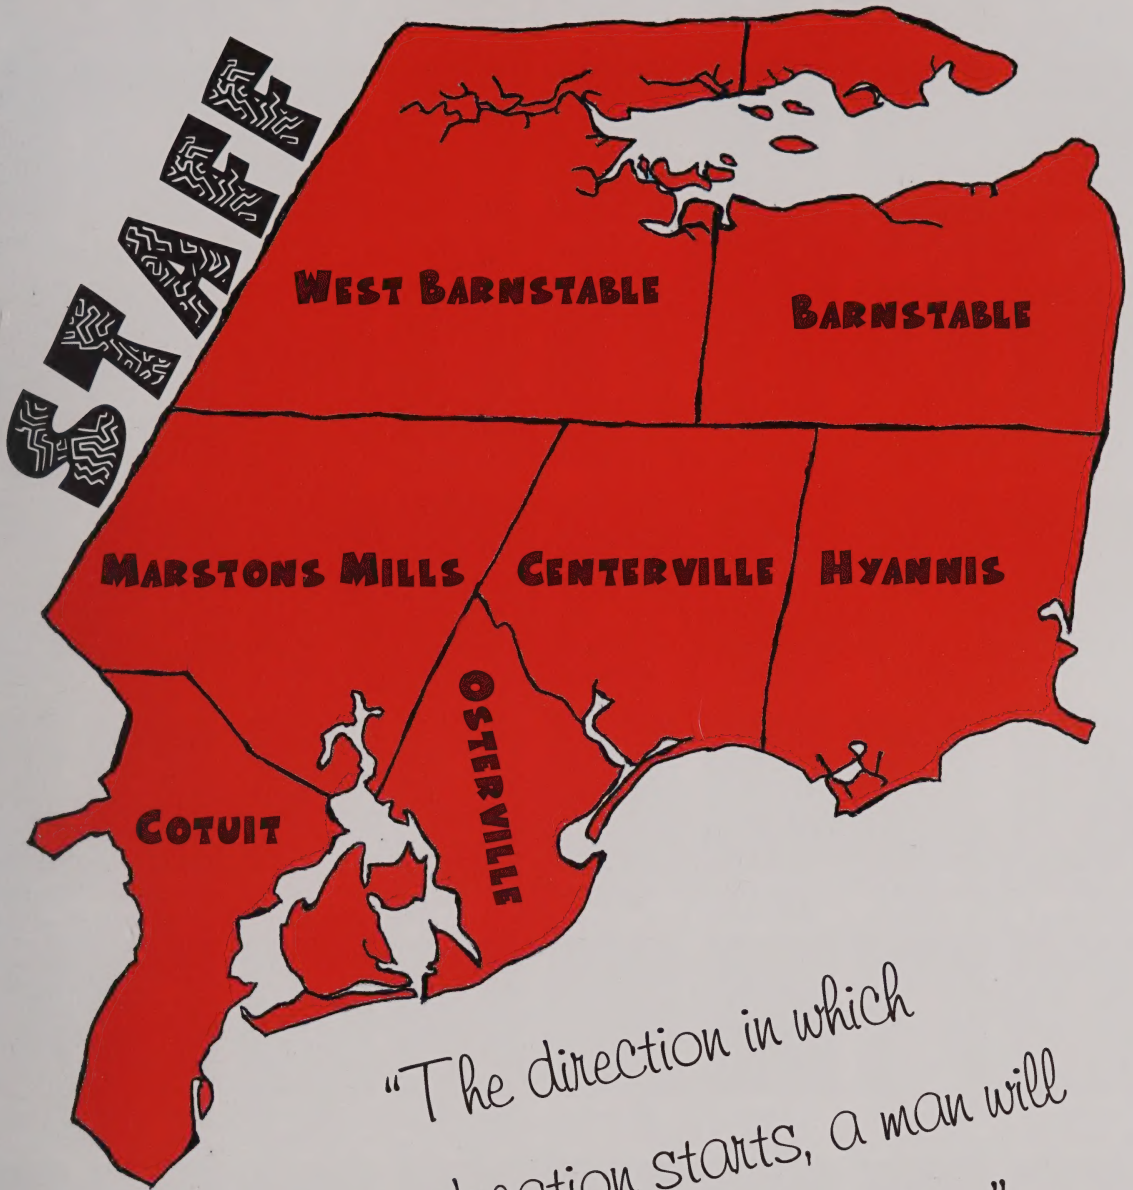

Our yearbook will trace our journey, starting in the small town of Barnstable, Cape Cod to wherever life may bring us. Who knows, maybe our path will lead us right back here or somewhere many miles away. As you flip through these pages, we hope you can trace your steps throughout high school as you prepare for where your "map" takes you.

We have left our mark, and no matter where we go, Barnstable will always be home. When we are adults, we are going to look back and realize that so much has changed, hopefully all changing for the better. We've spent five years together as a class and now we will separate; this chapter in our book is all coming to an end. All that is left to say is, thank you. Thank you to all our peers, teachers, and families for making our five short years in high school so memorable. We can only hope our journeys lead us to do great things in some even greater places. Sometimes the smallest step in the right direction ends up being the biggest step of your life. Good luck Class of 2017!

Our World In Review

Dedication to the Departed

On Monday October 24, 2016 we tragically lost two immensely loved men in our Barnstable community. Kraig Diggs and Jordan Galvin-Jutras, students of the 2015 graduating class, were spirited, comical, and loving young men with pure hearts. To use their names in the past tense is a heart-wrenching reminder that their absence will always be mourned. However, Kraig and Jordan imprinted enough of their love into this world to be infinitely present in our hearts.

Rest peacefully, friends.

New and Noteworthy

It may not seem like a big deal now, but Barnstable's exchange from plastic to paper bags could be the beginning of the attempt to reverse global warming.

The Grand Opening of Chick-fil-A was on November 20, 2016.

Spanish National Honor Society worked diligently through the spring and summer on their beautification project. We now have a foreign language quad that represents every language spoken at Barnstable High School.

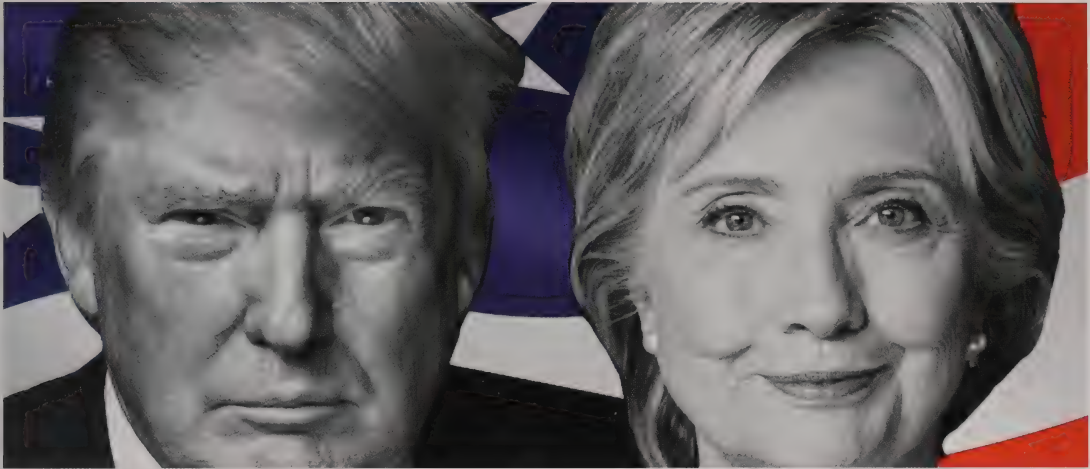

Blistered palms, scraped knees, and bruised limbs were all casualties that we suffered from our village playgrounds growing up. Due to failure of inspections, Osterville and West Barnstable Elementary's playground was terminated, ripping out memories from some of the greatest and care free times of our lives.

Battling For Brodt

Barnstable's Volleyball Team proudly wore yellow jerseys at their game dedicated to Olivia Brodt, a former teammate fighting Alveolar Rhabdomyosarcoma (ARMS).

The World In Review

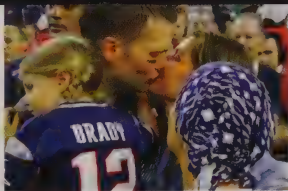

Trump Take-Over

This year's presidential election between Donald Trump and Hillary Clinton was pure entertainment filled with scandal and misdemeanor. Their most used political tool was degradation, which caused an evil and intense battle that many Americans followed. November 8th will now be known as the day that Donald Trump was named President-Elect. This election also contained four important ballot questions, one which inquired the legalization of marijuana. Ten ounces of marijuana is now legal in the state of Massachusetts for people 21 and over. What will come in the next four years is unknown and hopefully not regretful.

Brady Bailout

New England's sports hero Tom Brady is finally free from the deflategate battle. Summer Olympics in Rio De Janeiro resulted in 46 gold medals for the U.S.A that concluded from 121 overall medals, a new record for the United States. After the 107 year World Series drought, the Chicago Cubs finally won in game five against the Cleveland Indians. And last, but certainly not least, we bid a poignant farewell to our Boston Red Sox legend, David Ortiz.

History was made at the 2017 Super Bowl LI when The Patriots returned home as champions of the Deflategate Revenge Tour. It was the first time that the Super Bowl has ever gone into overtime, the largest comeback in super bowl history of 25 points, and the most super bowl victories a quarterback has ever won.

Roger That.

Lessons from a Legend

"Until I feared I would lose it, I never loved to read. One does not love breathing." We have all been through the beautiful journey of *To Kill a Mockingbird* by Harper Lee that touches on racism, death, childhood, and the destruction of innocence.

These past four years have been filled with these

themes, but as Atticus Finch says, "There's a lot of ugly things in this world, son. I wish I could keep 'em all away from you." That's never possible."

IN OCTOBER,
WE WEAR PINK

On October 28, 2016,
Barnstable High School came
together as a community,
wearing pink to honor those
who have lost the fight against
cancer and for those who
continue to demonstrate their
strength.

TEACHER APPRECIATION

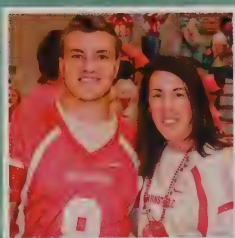

For the fifth consecutive year, Barnstable staff members wore red and white with honor and appreciation. Each football player asked a Barnstable staff member who made a positive impact on their high school experience to wear their jersey to school, and to the game later that night.

This is a tradition we hold dear to our hearts! Go Red Raiders!

3rd Place: Nikita Schley

For the fourth consecutive year, the Barnacle Yearbook Staff has organized a school-wide talent show called "Barnstable's Got Talent". Students of all ages with a myriad of talents present their unique talents on the PAC stage. Without the help of: Shya Morales, Sydney Crook, Maeve Moriarity, Martha Swindler, Jim Gilbert, Meghan Fligg, Kate Scholes, Ted Guazzaloca and Matt Geiler, none of this would've been possible. The yearbook staff thanks you for your support and contribution, especially the brave young men and woman that displayed their talents on November 17, 2016.

The Haunted House

Every October, the BHSDC puts on an original annual Haunted House, written and produced by students. This is the main fundraiser for the club productions. This year's theme was the Bondville Horror.

The Women of Lockerbie

In December 2016, students told this touching story based on real events of the Pan Am 103 plane crash in Lockerbie, Scotland. The play explored dealing with grievance and highlighted the importance of women coming together to make a change.

To Ms. Fligg's TGA,

I'm not even sure that I could fully describe what an honor it has been to watch you all grow and mature throughout your high school careers. You are a group of individuals who exemplify true kindness, pure honesty, and innate integrity. Beyond this, you have just been wonderful people to share these four years with. I wish you all the best and know that you have bright futures ahead of you. Our world is a better place for having you in it.

Love Always, Ms. Fligg

To Kim and Jack,

Thank you for your genuine efforts, interests, and enthusiasm this year with my students. You both became reliable valuable members of our classroom. You both have integrity, leadership, and the pride that it takes to be successful in what you decide to experience. Remember that Graduation is not the end, and that Commencement means beginning! You will be great. *-Mr. Watson*

2708 TGA,

It's been fun watching you all grow up the last four years. Now it's time to say goodbye. Follow your dreams and don't let anyone say you can't! Have a great LIFE 2708! *- Mr. Wingard*

To the BHS Pathology superstars,

You amaze us each and every day! Your hard work and perseverance through new biotechnology equipment, stinky mold, unsightly PowerPoint images, infected oranges, and less than pleasant scientific journals are a constant reminder of how awesome you are. We wish you well and cannot wait to hear about your future endeavors and achievements. You make us so proud! Please keep in touch! The ones who put the FUN in fungi,

Ms. Rigoli and Mrs. Lahteine

To the BHSFH16 Seniors: Meg, Mikayla, Beatriz, Bianca, Kellyn, Nia, Lindsey, Sam & Anne,

You all have made me so proud over the years, and the mark you've left on Barnstable Field Hockey won't soon be forgotten. The world is yours now, and I can't wait to see what it has in store for you. Always here for you!

Love, Coach Bish

Dear Astro Junkies,

Be sure to escape into the nighttime sky ever now, then, and again. Your celestial pals in the heavens will follow you throughout your life-time adventure. Remember, the only constant in the universe is change. So, welcome it with enthusiasm, perseverance, some good ol' grit, and an open heart. Wishing you all the best. I will miss you.

- Mr. Gyra

For all my seniors,

if you remember nothing else, I pray you will always remember and believe this truth... Mrs. Peek loves me! :) I am so proud of you. *-Mrs. Peek*

To the class of 2017 (exactly 40 years after I graduated from High School):

As teachers, we always think of the influence that we have on our students; in the end, it's amazing the influence that our students have on us. This year is an end for me, but a great beginning for you.

Oberg's Paradise 2.0

As I walk through the hallways of BHS,

I take a look at the past few years, and realize the mark you've all left.

Cause BOO squad's been dabbin' and rhymin' so long

That even karate Wannie thinks their minds are blown....

Remix...

Thank you to all my students that became **my** greatest teachers. You've taught me lessons I will carry with me forever.

To the old soul who never fails to fill my ears with the classics of Fleetwood & Morrison

To the timid warrior that shed her insecurities and now stands tall

To the conscientious one who never surrenders or fails to visit after school

To the one with that taught me that silence is sacred and words are even more powerful.

To the dancer who exudes poise, beauty, laughter, and every ounce of empathy.

To the one reminds me to live with intention and strive to accomplish your goals.

To the warm smile that fills every classroom with a pleasant "hello" and a genuine "thank you"

To the future teacher whose curiosity fed my passion daily

To the revered one that always stayed true to themselves and gained the respect of far more than me.

To the one with a quiet disposition that inspires me to truly appreciate what life has to offer.

To the fourteen fearless females that helped create this beautiful yearbook

This is for all of the ones who have opened their hearts & minds in my classroom. You'll forever be remembered, appreciated, and loved.

Final Minutes With Mac!

Mr. McNamara, known by most students as "Mac", created an enjoyable classroom environment for his students and was best known for his witty sense of humor.

We wish you the best of luck on your retirement; you will be greatly missed!

Here are our final minutes with Mac...

Something students don't know about you:

"I would like to create an all Western channel that shows only John Wayne and Clint Eastwood movies."

Favorite memory:

"Meeting my wife."

BHS in 3 words:

"Large, united, underpaid"

What makes a "good day" at BHS?

"No meetings, students actually follow directions, and you see the light bulb come on

(when a kid who didn't get something actually gets it)."

What current trends are baffling you?

"Flipping the water bottles, wearing hoodies when it's 85 degrees outside, guys wearing pants halfway down their butts, and the lack of awareness of the world around them [students], especially the 8th graders."

If you had to start all over again, would you still want to teach at BHS?

"Yes, no doubt."

How is teaching different from when you started to now?

"Definitely the technology. Also teachers are more facilitators. Today we are about giving more of a life lesson than worrying about the actual lesson. It's more on the emotional side of things."

Best & Worst about teaching:

Best: "Meeting kids in 8th grade and seeing them mature as they go on through high school, they also keep me technology literate."

Worst: "People thinking "what an easy job you have ... and meetings."

What do you plan to be doing/where do you plan to be in 10 years?

"Retired completely, living in Florida, doing lots of volunteer work and helping kids."

What advice would you give to a new teacher who is going to be starting to teach here at BHS?

"Don't. But if you do, make friends with the secretaries and custodians, they'll help you the most."

A quote BHS can remember you by:

"It's not what you tell them; it's what they hear."

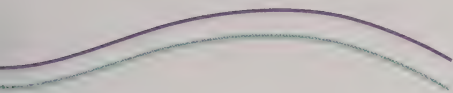

The page features decorative wavy lines at the top and bottom. The top line is a simple wavy line. The bottom line is more elaborate, featuring loops and a wavy pattern. The word "autographs" is written in red cursive script on the bottom line.
